

# Sponsorship & Event Information

At Topeka Habitat, we believe everyone deserves a safe place to call home. This year, we proudly launch our **Inaugural Pride Build** event to invite members of the LGBTQ+ community and allies to help us build an inclusive community where every individual and family has the opportunity to obtain fair and equitable housing. Pride Build is a fun way for members and supporters of the LGBTQ+ community to come together to celebrate diversity, learn new skills and make an important statement about the fundamental human right of a safe, decent, affordable place to live for everyone.

**Our Pride Build events will be held June 23-25, 2023 at the Braided Haven Transitional House.** We are excited to collaborate with Braided Haven Inc. to provide repairs and renovations for their recently purchased transitional house in the College Hill Neighborhood. This home will provide a safe place for LGBTQ+ adolescents experiencing homelessness to live. It will provide residents an opportunity to embrace their identity, overcome the obstacles presented by housing insecurity, and thrive in a supportive environment. We are looking forward to collaborating on this project and putting our Habitat for Humanity skills to use transforming this house into a home.

We need your help to make our Inaugural Pride Build a success! We are looking for volunteers, sponsors, advocates, and allies. Volunteers can sign-up at [topekahabitat.org](http://topekahabitat.org). No special skills are needed, just a desire to work hard, learn, and help others. Topeka Habitat will provide all of the tools, training, and supervision needed. Sponsorships help us cover the costs of t-shirts and supplies for the event. Additional sponsorship information is attached. Sponsors will have their name or logo printed on the Pride Build t-shirts and will be recognized on social media. **The deadline for sponsorships is June 2, 2023.** We hope you will join us as we wrap-up Pride Build 2023 with a Pride Picnic on Sunday, June 25<sup>th</sup> and celebrate our community. Follow along at [facebook.com/topekahabitat](https://facebook.com/topekahabitat).

Thank you for your support and together we will continue to build a world where everyone has a safe place to call home. Feel free to contact me for additional information about our 2023 Pride Build or future events.

Sincerely,

Nikki MacMillan, COO  
Topeka Habitat for Humanity
